

## Preschooler Precaution

(未就学児のお子様をお連れのお客様へ)

For customers who have preschooler(s) (children under six years old) with you, we have few notices for you. Please have a look.

1. We accept only children above 3 years old to join the tour
2. Please keep your children staying with you at all the time during the whole tour including in the ship or on the island.
3. If your child is estimated to disturb other passengers during the tour through some behaviors, we have right to refuse your boarding.
4. Due to the rule from Nagasaki city, preschooler who is under 6 years old, is not allowed to go to the deck place. And please have the seats inside. And for parents, please have seats inside with your children(at least one adult accompany).
5. Baby cars are not allowed to use either in the ship or on the island. If you have special need requirement, please inform staffs and our captain will make the decision about it.
6. For your safety,if the sea condition is bad, our captain has right to ask preschoolers and at least one adult company to stay in the ship without landing on the island.
7. In summer, the temperature is often up to 40°C ,also, very cold and windy in winter in Gunkanjima. Please take care of your children well.

Thank you for your understanding and cooperation.
