

# ◆How to use the digital ticket (example)

※A mobile device with internet access is required.

## Step1

<Confirmation email>

<Voucher>

Please tap the button below the QR code of the voucher attached to the confirmation email.

## Step2

Please tap the "Use" button.

## Step3

Please tap the "Yes" button to start using the ticket.  
※Please tap "Yes" in front of the driver.  
※The expiration date after the start of use varies depending on the types of tickets.

## Step4

Please present the screen to the driver when getting on/off the bus or using the facility.

## When the ticket expires

Once the ticket expires, the screen automatically changes to red. (The ticket can no longer be used.)

※Please access the screen of Step 4 from the voucher and present it when getting on/off the bus or using the facility. Screenshots and printed-out tickets will not be accepted.
